

## Description of Mexican Dishes

**Tortillas:** Thin corn or wheat flour rounds used as a base for many dishes.

**Burrito:** Rolled flour tortilla stuffed with beef, topped with onion sauce.

**Chalupa:** Flat corn tortilla covered with beans, cheese, topped with lettuce and guacamole.

**Chile Relleno:** Poblano pepper stuffed with cheese, battered with egg fried.

**Enchilada:** Rolled corn tortilla stuffed with beef, topped with cheese and red sauce.

**Quesadilla:** Grilled flour tortilla folded in half and stuffed with cheese and other ingredients of your choice.

**Tacos:** A deep fried or soft corn tortilla is folded, then filled with beef, lettuce, and cheese.

**Tamales:** Savory meat filling steamed in a corn meal casing wrapped in a corn husk.

**Tostada:** Flat corn tortilla covered with beef, lettuce, and cheese.

**Tostaguac:** Flat corn tortilla covered with beef and beans, topped with lettuce, tomatoes, cheese, and guacamole.

**Doritos:** Corn tortilla cut into pieces and deep fried until crisp.

**Guacamole:** Avocados, sour cream, onions, lime juice, and select seasonings, used as a salad or dip.

**Mexican Salad:** Lettuce topped with cheese, tomatoes, guacamole, sour cream, and ranchero sauce.
